

### REMARKS

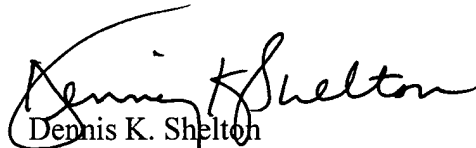

The foregoing amendments to the specification are presented to conform to the specification with amendments entered into allowed parent U.S. Application No. 09/326,501. The amendments to the claims are made to pursue claims directed to a nonelected invention of the parent application.

### CONCLUSION

Amended claim 21 and new claims 25-29 are believed to be in condition for allowance. Favorable action is requested.

Respectfully submitted,
